## Statement

To whom it may concern:

Here we would like to state that "Wondfo 2019-nCoV Antigen Test (Lateral Flow Method)" manufactured by Guangzhou Wondfo Biotech Co., Ltd. detects mainly 2019-nCoV nucleocapsid phosphoprotein.

The recent B.1.1.7 strain arose in UK has mutation on RBD region of Spike protein, which does not affect the result of our test reagents.

Sincerely yours,

Guangzhou Wondfo Biotech Co., Ltd.

24th Dec. 2020
